

GUJARAT COUNCIL ON SCIENCE & TECHNOLOGY
Dept of Science & Technology, Govt of Gujarat

**Advertisement for the position of Project Director
in the Regional Science Museums in Gujarat**

Advt. No. GUJCOST/Admin/RSM/PD/2019/01, Dated 8th January 2019

Introduction:

Gujarat Council on Science and Technology (GUJCOST), working under the aegis of the Department of Science & Technology, Government of Gujarat, is the nodal organization for promotion of science education, awareness, research and development through its various programmes and outreach activities across the state.

With its network of Community Science Centres and School Science Clubs across the state, GUJCOST is functioning as a focal forum to inculcate scientific temper for attaining new heights in research and development for welfare of masses and to improve the quality of life as well as to solve important issues of socio-economic development of the state by acting as organic link between science, technology and economy.

The Government of Gujarat is establishing five Regional Science Museums at Rajkot, Patan, Bhavnagar, Bhuj and Vadodara. GUJCOST is implementing this project with content, concept and its meaningful execution. Each of the RSM is being developed with over an area of 10.00 acres and with an estimated cost of Rs.80.00 crore respectively. The construction work at RSM Rajkot, Patan, Bhavnagar has already started. The construction work of RSM Bhuj will be started soon. For RSM Vadodara, the land acquisition is in process.

GUJCOST now invite applications for the position of Project Director (1 position) in its RSMs, in the prescribed format as per the following details.

Job Profile:

The Project Director is responsible for overseeing the development and design of Regional Science Museum (RSM) exhibits and its effective management and smooth operation. As such, the position is responsible for performing and managing exhibit research and content development as well as leading scheduling and coordination for the project. The Project Director works with all team members and assist in coordinating with others in the implementation of exhibit themes and topic areas. The position requires excellent leadership, teamwork, and communication skills, along with a passion for connecting children of all ages with science.
