

GUJARAT COUNCIL ON SCIENCE & TECHNOLOGY (GUJCOST)
Department of Science & Technology, Government of Gujarat

**Advertisement for Scientist C, Scientist B and Project Scientist in the
Patent Information Cell (PIC) of GUJCOST**

Advertisement No. GUJCOST/Admin/PIC/2019/08, Dated 9th February 2019

Gujarat Council on Science and Technology (GUJCOST), working under the aegis of the Department of Science & Technology, Government of Gujarat, is emerging as an effective and large scale science education and popularization platform in the area of S&T education, awareness, research and scientific practices through its various programmes and outreach activities across the state.

GUJCOST envisages “acting as a focal forum to inculcate scientific temper for attaining new heights in research and development for welfare of masses and to improve the quality of their life as well as to solve important issues of socio-economic development of the state by acting as organic link between science, technology and economy”.

GUJCOST has a wide network community science centres and Science Clubs for promotion and popularization of science and technology among the children and the community members in the state. With a variety of programmes and outreach activities, GUJCOST is really investing in science and investing in the future by shaping the young minds and meaningfully connect the communities to the world around, reaching students, teachers and families with the fascination and promise of careers in the sciences.

GUJCOST has established a Patent Information Centre (PIC) in the directives of Dept of Science & Technology, Govt of India and the PIC Centre has been functioning with the annual grant of DST, Govt of India.

The Patent Information Cell (PIC) at GUJCOST organizes the awareness and orientation programme among schools, colleges and university students and teachers about Intellectual Property Rights (IPR) and its management. In order to make the IPR more closer to young researchers and faculties, it has established six University IPR Cells in Gujarat University, MS University, SP University, Saurashtra University, Bhavnagar University and Veer Narmada South Gujarat University, Surat.

GUJCOST is now looking for the following positions to be filled by Direct Recruitment on contractual basis.

Job Description:

Scientist – C:

1. Patent Scientist – C is the senior position to work on strengthening the Intellectual Property Rights (IPR) in the State and typically involved in preparing and prosecuting patent applications as well as other IP domains in different fields.
2. The Patent Scientist shall report to the Advisor and Member Secretary of GUJCOST for the overall development of the IP awareness, promotion and popularization among academia, industry and grass-root innovations in the State.
3. The Patent Scientist should design and develop appropriate training modules and content papers for the dissemination of IP knowledge and expertise in the filed of science, engineering and pharmaceutical sciences in the State.
4. The position involves many of the technical aspects of patent prosecution, including doing background and prior art searches, drafting the specifications and preparing reference figures for patent applications, and giving technical expertise during invention evaluation.
5. Positions of this nature may focus a great deal on research and development while including patent considerations, emphasizing their technical background rather than legal or patent agent qualification.
6. To assist in overall development of the PIC in GUJCOST by establishing and maintaining link between the stakeholders of the institution of economy of the nation and centre

Scientist – B:

1. The position of Scientist B should include assist and coordination in the Patent Information Cell in GUJCOST as well as to involve him/her with many of the technical aspects of patent prosecution, including doing background and prior art searches, drafting the specifications and preparing reference figures for patent applications, and giving technical expertise during invention evaluation.
2. Positions of this nature may focus a great deal on research and development while including patent considerations, emphasizing their technical background rather than legal or patent agent qualification
3. To assist in overall development of the PIC in GUJCOST by establishing and maintaining link between the stakeholders of the institution of economy of the nation and centre

Project Scientist:

1. To be design and develop creative modules to bring awareness about Intellectual Property Rights among students in school, college and university departments
2. Enabling support and assistance in patent searches,
3. Providing patenting facilities to scientists and technologists in the country for Indian and foreign patents on a sustained basis.
4. Keeping a watch on developments in the area of IPR and make important issues known to policy makers, scientists, industry etc.
5. Analyze the patent information on a regular basis,
6. Suggest new programmes for R&D Institutions

General Instructions:

1. The posts are purely contractual and will terminate as per the project grant.
2. Age will be reckoned as on the closing date of the submission of application form. Age relaxation will be admissible for SC/ST/OBC/PH/SEBC/ or women in Govt. Service as per Central Govt. rules in force. Experience would be determined as on the last date of receipt of applications. Provided the upper age limit may be relaxed up to five years in favour of a candidate who is already in the Service of State Government or Central Government or Government Undertaking Board / Corporation or the Local Bodies of the State or the Statutory Organization.
3. The details of eligibility, age, qualification, experience format of application etc. may be seen in the detailed advertisement available at the website of GUJCOST (www.gujcost.gujarat.gov.in).
4. The application for the above post(s) is to be submitted through RPAD/Speed Post on or before **26th February 2019**. The filled-in application should be addressed to the Advisor & Member Secretary, Gujarat Council on Science & Technology, Block B, 7th Floor, M. S. Building, Sector 11, Gandhinagar 382011, Gujarat 382011, India. The applications received after due date will not be considered under any circumstances.
5. Persons already in service must submit their applications through proper channel. While forwarding applications of in service candidates, Head of the Institutions should certify that the applicants are free from Administrative and Vigilance angle and that no vigilance proceedings are pending or contemplated.
6. Late / incomplete applications/application without attested copies of academic qualification, age, and community will summarily be rejected.
7. Canvassing in any form by or on behalf of any candidate or bringing political or other outside influence with regard to selection/recruitment will disqualify the candidate.
8. The applications will be scrutinized as per the eligible criteria and work experience. If the number of eligible applications are less than ten times of the advertised position, the eligible candidates will go through the direct interview before the Recruitment Committee for selection against advertised position.

In case the number of eligible applications are more than ten times of the advertised position, then an elimination test will be conducted for short-listing the candidates for the interview before Recruitment Committee.

9. GUJCOST reserves the right to cancel the recruitment for all/any of the post without giving any reason.
10. Envelope containing the application should be superscripted "**Application for the post of _____**". The last date to receive application is **26th February 2019**.
