

**List of Dr. Vikram A. Sarabhai award winners 1995 - 2010 in the field of Industry,
Energy, Environment, Biotechnology and Information Technology**

Sr No.	Name of Scientist	Field	Project Title	Award For Year
1.	Dr.(Mrs) Sabita V. Sagar	Industry	Phosgene Based Products for Healthcare in Cosmetics & Pharmaceuticals	1995-96
2.	Shri N. J. Shah	Energy	Fabric Cell Type Air Washer for Industrial Air Humidification	1995-96
3.	Shri Somdatta Dalai	Environment	Health From Waste, Fermented Milk Drink from the Whey Having Therapeutic Properties	1995-96
4.	Shri Dilip Balmukund Bhatt	Industry	Industrial Design of Sketching Devices for Tactile graphics Through Thread Delivery over Hook & Loop Surface - an Educational Aid for Blind Children	1996-97
5.	Shri Arvind L. Patel	Industry	The Designing of the Advanced Laser System for Rough Diamond Processing	1997-98
6.	Shri Kalpesh C. Gajjar	Energy	Development of Modified Oil Expeller (Screw Press) "Swastic Oil Expeller"	1997-98
7.	Shri Vijay G. Naik	Industry	Fabrication of Low Cost Aids and Appliances for Physically Disabled.	1998-99
8.	Shri Nilesh R. Pandya	Energy	Online Fault Sensor for Power Transformer	1998-99
9.	Dr. C. R. K. Reddy	Bio-Technology	Development of Improved Varieties of Cultivated Sea Weeds of India Through Bio Technological Interventions	1998-99
10.	Dr. Rajeshkumar P. Bhatt	Industry	Explosion Proof Centrifugal Switch	2000-01
11.	Mrs. Aradhana Ray	Industry	Development of Fault Current Limiter For LT Switchgear & Appliances	2001-02
12.	Mr. Shashikant Sharma	Information Technology	Low-Cost Utility Software For Remote Sensing & GIS Applications	2001-02
13.	Dr. K. S. Ganesh Prasad & Dr. S. K. Nema	Environment	Safe Disposal Of Hospital Waste By Plasma Pyrolysis	2002-03
14.	Mr. Girish Luthra	Industry	Direct Gas Fired & Steam Blended Loop Ager System	2002-03

15.	Dr. D. R. Patel, Dr. Subhash N. & Team	Bio- Technology	Development of Micropropagation Technology In Date palm (Phoenix dactylifera L.)	2002-03
16.	Mr. Shreelal N. Jha	Information Technology	Multi-Lingual Braille Language Laboratory For Blind (Indian Or Foreign)	2002-03
17.	Mr. V. J. Shah & Team	Environment	Membrane Technology In Solving The Environmental Problem Associated With Water Pollution	2003-04
18.	Dr. L. M. Manocha	Industry	Development of Carbon Products & Carbon-Carbon Composites	2003-04
19.	Dr. Devayani R. Tipre	Bio- Technology	Development & Scale- up of Bioleaching Process for GMDC Polymetallic Bulk Concentrate	2003-04
20.	Dr. Pushpito Kumar Ghosh and Team	Industry	New Products and Processes in the Area of Salt: From Concept to Commercialization	2005-06
21.	Dr. Gurpreet singh Grewal	Energy	Martensitic Low Alloy Steel Based Hammer ring Technology for Ring Granulators	2005-06
22.	Dr. Sanjay D Vadodaria & Mr Kaushik R Joshi	Environment	Chlorpyrifos Solvent less Process	2005-06
23.	Dr. Pushpito Kumar Ghosh & Team	Energy	Development, Scale-up and Technology Transfer of En14214 grade Jatropha Methyl Ester (Bio-diesel) Prepared From Jatropha Curcas Seed	2006-07
24.	Dr. Manjunath Joshi	Information Technology	Motion-Free Super Resolution	2006-07
25.	Prof. R. V. Mehta & Prof. R. V. Upadhyay	Industry	Development of Nanomagnetic Fluids and Particles For Engineering and Bio-Medical Applications	2006-07
26.	Mr Dipak Bhanuchandra Shah & Team	Industry	Excellence Through Isomerization	2007-08
27.	Mr. Jaydeep P. Sheth & Dr. Vagish Shrinet	Industry	New Polymeric Material for Wiring Accessories	2008-09
28.	Mr. M. B. M. Nair & Dr. M. K. Shah	Energy	Development of DC MCBs for 5KA, 130V DC	2008-09
29.	Dr Jayalekshmy Ayyer	Environment	Development of Liquid Phase Redox process for Hydrogen Sulphide Removal and Sulphur Recovery from Sour Gas Streams	2008-09

30.	Dr. Satish Hukumat Chetwani.	Energy	Pump Turbines for Standalone Power Generation in PICO Hydrel Systems.	2009-10
31.	Dr. Vishvesh J. Badheka.	Industry	Friction Stir Welding of Aluminum and its Alloys.	2009-10
32.	Prof. Dr. N S Varandani and Team	Environment	Integrated air pollution control system for the cupola based foundries of city Ahmedabad.	2009-10
